**AVISO AL CONSUMIDOR**

El Departamento de Salud de Texas anuncia que el comer alimentos crudos o semicocidos como carnes, aves, huevos, pescados y mariscos, pone en riesgo la salud de todo individuo, pero especialmente a ancianos o niños menores de 4 años, mujeres embarazadas u otros individuos con sistema inmunológico especialmente vulnerable.

El completar tiempos de cocción adecuados reduce el riesgo de contraer enfermedades. Los ostones crudos pueden causar enfermedades graves e incluso la muerte en personas con enfermedades del hígado, cáncer u otras enfermedades crónicas que debilitan el sistema inmunológico.

Si come ostones crudos y se enferma, debe buscar atención médica inmediata. Si no está seguro si está en riesgo, debe consultar a su médico.

**CONSUMER ADVISORY**

The Texas Health Department advises that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. thorough cooking of such animal foods reduces the risk of illness. raw oysters may cause severe illness and even death in persons who have liver diseases, cancer or other chronic illness that weaken the immune system. if you eat raw oysters and become ill, you should seek immediate medical attention. if you are unsure if you are at risk, you should consult your physician.
